FACULTY SELECTION COMMITTEE

Constitution of Faculty Selection Committee.

In the University system, the faculty or the teaching staffs are the backbone. A well-qualified and knowledgeable faculty member is an asset to the university. A faculty is the one who not only shapes the future of the students but also creates images in public about the university. For the selection of faculties, UGC and other governing bodies frame and reframe the rules and guidelines at various times according to the changes in academic scenario. The formation of in-house faculty selection committee is also helpful in this regard which helps in adhering to these guidelines and recommendations.
